A House for Hermit Crab by Eric Carle takes us on an underwater journey through the unique perspective of a hermit crab. He meets interesting friends to add to his plain shell and they spend the better part of a year creeping along the ocean floor together.

~~A House for Hermit Crab Activities - Growing Book by Book~~

Hermit Crab has outgrown his first shell, and, as hermit crabs do, he must look for a new house. Nervous and a little frightened, the crab plucks up his courage and finds a shell that's big enough for him. The only problem is that it's very bare. That's where his fellow undersea creatures come in: a sea anemone offers to decorate the outside, a starfish the inside, an industrious sea snail, a ...
