Aging and Everyday Life presents a balanced and realistic view of the aging experience. The research in this book reveals that much, if not most, of the triumphs and trials experienced in later years are not unlike those confronted at other points in life. Just like younger people, the elderly experience both change and stability, shedding old roles and entering new ones. The process takes ...

~~Jaber F. Gubrium ...~~

Applying interdisciplinary perspectives about everyday life to vital issues in the lives of older people, this book maps together the often taken-for-granted aspects of what it means to age in an ageist society. Part of the Ageing in a Global Context series, the two parts address the materialities and the embodiments of everyday life respectively. Topics covered include household possessions, public and private spaces, older drivers, media
