Arm of the Sphinx is the amazing second book in the Books of Babel series. Although having a different angle compared to Senlin Ascends, the author beautifully fleshes out the characters and the enigmatic Tower. Once a stuffy schoolteacher, Thomas Senlin now has become Tom Mudd, sky-pirate and captain of the airship The Stone Cloud. After the wild adventures in New Babel, Senlin and his strange crew hope to avoid their enemies, while figuring out a way up the Tower.

Following Thomas Jefferson from the drafting of the Declaration of Independence to his retirement in Monticello, Joseph J. Ellis unravels the contradictions of the Jeffersonian character. He gives us the slaveholding libertarian who was capable of decrying mescegenation while maintainga an intimate relationship with his slave, Sally Hemmings; the enemy of government power who exercisdd it audaciously as president; the visionarty who remained curiously blind to the inconsistencies in his nature. American Sphinx is a marvel of scholarship, a delight to read, and an essential gloss on the Jeffersonian legacy.

Connecticut middle-schooler Jake and his older sister Kady are transported by a Mayan artifact to a strange world inhabited by a mix of people from long-lost civilizations who are threatened by prehistoric creatures and an evil alchemist, the Skull King.

An epic fantasy like no other, Adrian Selby's debut takes an unblinking look at the price we pay for our pasts, the art of war and the people who make it their business. Enter a violent world of revenge and bloody combat with characters you'll never forget. They called them Kailen's Twenty, a legendary band of ruthless mercenaries who gave no quarter. Living only by the code of steel, blood and coin, and aided by flightbrews that gave them the edge in battle, whoever met their price won. Now, broken up and seemingly forgotten, they are being hunted down, one by one. Drawn from multiple accounts compiled by a scholar investigating the legendary group's demise, who is also the son of one of the Twenty, Snakewood is fantasy at its most inventive and rewarding.
