Astral projection is a term used in esotericism to describe an intentional out-of-body experience (OBE) that assumes the existence of a soul or consciousness called an "astral body" that is separate from the physical body and capable of travelling outside it throughout the universe. The idea of astral travel is ancient and occurs in multiple cultures. The modern terminology of "astral projection" was coined and promoted by 19th-century Theosophists. It is sometimes reported in association with d
