Do your students need a fresh and concise introduction to marketing? Essentials of Marketing has arrived! This is the must have textbook for students looking to shine and excel in their marketing studies and future careers. Packed full of exciting and meaningful cases from organizations such as IKEA, FourSquare, Groupon and WOMAD, students are encouraged to think critically and consider how they would tackle the real marketing challenges and issues encountered by professionals on a daily basis. Covering the latest trends and developments in marketing, including social media and mobile marketing, students are given the opportunity to go beyond classical marketing theories and explore the latest cutting edge perspectives. Lecturers and students are provided with truly innovative online resources which are carefully integrated with the textbook.

Unlike other International Marketing texts, Essentials of International Marketing includes only the most important information that can be easily covered in one semester. The book covers all the key topics for an International Marketing course, but in a concise, no-nonsense manner that meets the needs of undergraduates. In addition to including all the basic topics, this affordable text also offers two unique chapters on the metric system and on countertrade that provide essential information for successful international marketers. Essentials of International Marketing has been extensively class-tested and is well crafted to serve as a learning tool and a ready reference for students. Each chapter includes an opening case vignette, learning objectives, plentiful exhibits and tables, a summary, key terms, and discussion questions.

Includes: Primary and secondary research methods, quantitative and qualitative research techniques, questionnaire design and implementation, sampling methods, data collection, reporting, and analysis, research report and presentation guidelines, workbook activities for each chapter, DECA connections for each chapter.

ESSENTIALS OF MARKETING RESEARCH, 6E, provides a concise, yet complete guide to the design, execution, analysis, and reporting of marketing research to support smart business decisions. Covering essential principles and techniques in a streamlined, engaging way, the text equips students with the core knowledge and skills needed to manage marketing research effectively. This proven text provides valuable business context while introducing both traditional research methods, such as designing questionnaires, and the latest technological advances, including current data collection devices, basic data analysis tools, practical approaches to data analytics, and the impact of social media and artifactual online data. Designed specifically for instructors who prefer a concise introduction to marketing research topics, the Sixth Edition of this trusted text features updates based on recent trends and technology, including an increased emphasis on ethical and international issues, reflecting their growing importance in modern marketing research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
