I am complex. My love is all-encompassing. And when it comes to my heart, there is only one rule: Don't mess with what's mine. Until the age of seven, I was Joel Alexander Donovan, son of Jimmy. The man who terrorized a town and made its citizens fear the very ground he walked on. Including me, the day I realized that ground ran red with blood. At age eighteen, I became Priest. A man without a past. A man determined to right the wrongs of my father. A man who never believed anyone could love the son of such a monster. But then a thief stole my heart. A sweetheart lit up my world. And I forgot for a moment you should never turn your back on your enemy. And thus begins a lesson to those who would seek to harm: Never underestimate what the Priest will do to protect the Princess and the Prick.
