**Policy and Procedure Manual. Preface. The distinctive nature of New Creation Counseling Center calls for a set of practice standards which give some degree of uniformity of care, as well as help to define the practice as a Christian practice. The Center exists as a Christian practice, meaning that our basic belief is that God is central to healing, and we as counselors, only point to the true healer.**

In this book, the IOM makes recommendations for permitting independent practice for mental health counselors treating patients within TRICARE—the DOD's health care benefits program. This would change current policy, which requires all counselors to practice under a physician's supervision without regard to their education, training, licensure or experience.

Be prepared to deal with campus situations that involve students in emotional crisis
College Students in Distress provides college personnel with invaluable information on how to identify and refer emotionally troubled students for professional counseling. Dr. Bruce S. Sharkin, a staff psychologist at Kutztown University in Pennsylvania, addresses general warning signs of student distress, symptoms of specific psychological problems such as anxiety and depression, guidelines for interventions, and methods of making a referral for counseling. The book also examines current mental health issues for college students and provides an overview of common campus policies and procedures, such as psychological emergencies, withdrawal and readmission, and mandatory counseling. College Students in Distress provides the answers you need to manage difficult—and potentially dangerous—situations on campus. Case examples based on real-life experiences give you a clear sense of what can happen when responding to students in emotional distress, particularly when dealing with specific issues and student populations, and will help in your efforts to review and/or revise the current practices of your school. This unique book is essential as a resource and referral guide that raises awareness of this growing national problem without being limited to the characteristics of a particular college or university. Topics examined in College Students in Distress include: the impact of mental health problems on academics the roles and functions of college counseling services indicators of emotional disturbance suicidal behavior self-inflicted harm eating disorders guidelines for intervention accommodations for students with psychological disabilities and much more
College Students in Distress is a must-read for faculty and staff members, particularly those working in residential life, student health, and public safety, and for administrative offices within student services and student affairs.

This book deals with the realities of adolescent suicide. It consists of 15 chapters organized under 5 major headings: The Problem of Adolescent Suicide (chapters 1 and 2); A Profile of the Attempter (chapters 3-6); Assessing Lethality (chapters 7 and 8); Prevention and Intervention (chapters 9-14); and Legal Issues (chapter 15). Individual chapters include: (1) "Adolescent Suicide: An Introduction to Issues and Interventions" (Dave Capuzzi & Larry Golden); (2) "Societal Trends and the World of the Adolescent" (Jan Gill-Wigal); (3) "Behavioral Indicators" (Arlene Metha & Helen Dunham); (4) "Personality Variables" (Sharla Nichols & Daniel Fasko, Jr.); (5) "Thinking Patterns and Motivation" (Patricia Veikoff & Thomas Huberty); (6) "Depression" (J. Jeffries McWhirter & Timothy Kigin); (7) "Psychological Assessment" (Fred Alberts, Jr.); (8) "Signatures of Suicide" (Carol Tomlinson-Keasey & Charles Blake Keasey); (9) "Overview of Prevention" (Richard Nelson); (10) "A Model Prevention Program" (Beverly Celotta, Golda Jacobs, Susan Keys & Geneva Cannon); (11); Interventions with Native Americans" (James Jordan); (12) "Interventions with College Campus Populations" (Allen Ottens, Lynn Fisher-McCanne & Alan Farber); (13) "Crisis Intervention" (Rosemary Thompson); (14) "Family Therapy and Networking" (Artis Palmo & Linda Palmo); and (15) "Legal Considerations for the Practitioner" (J. Jeffries McWhirter & Robert McWhirter). (NB)

"This practical guide is ideal both for teaching future members of the profession about their ethical responsibilities and for reinforcing ethical competence among current professionals. We strongly recommend this book." Jeffrey E. Barnett, PsyD, ABPP W, Brad Johnson, PhD Loyola University Maryland United States Naval Academy Coauthors, Ethics Desk Reference for Counselors, 2nd Edition "Herlihy and Corey's text boosts the reader's ethical understanding leaps and bounds above mere reading of the ACA Code of Ethics. With multifaceted case study examples and an integrated approach to tackling ethical dilemmas, this book is a must-read for students, counselors, counselor educators, and supervisors." Shannon Hodges, PhD Michael Knight Niagara University Graduate Student, Niagara University ACA Ethics Revision Task Force Member The seventh edition of this top-selling text provides a comprehensive resource for understanding the 2014 ACA Code of Ethics and applying its principles to daily practice. Each individual standard of the Code is presented with an explanatory case vignette, and a Study and Discussion Guide is provided at the beginning of each major section of the Code to stimulate thought and discussion. Common ethical concerns, with instructive case studies, are then explored in individual chapters. Topics addressed include client rights and informed consent, social justice and counseling across cultures, confidentiality, counselor competence, working with minor clients, managing boundaries, client harm to self or others, counselor training and supervision, research and publication, and the intersection of ethics and law. Chapters new to this edition examine managing value conflicts and the issues surrounding new technology, social media, and online counseling. The Casebook also contains an Inventory of Attitudes and Beliefs About Ethical Issues to assist counselors in developing a personal ethical stance. \*Requests for digital versions from the ACA can be found on wiley.com. \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.

Praise for the First Edition: "I highly recommend The Counseling Practicum and Internship Manual. It is the single best all-in-one resource I've read for all things practicum and internship." #Ryan Thomas Neace, LPC, NCC, CCMHC, Blogger, American Counseling Association; Founder, CounselingInternships.com and Change, Inc. "[U]sing this text in my practicum course. It is a very user friendly book with many resources in addition to good clinical information." #Jessica Brunn-Larson, PhD, Alverno College This best-selling guide to the practicum and internship experience, written expressly for graduate counseling students by a seasoned counselor and educator, is now substantially revised with updated and expanded content including the 2014 ACA Standards of Ethics. With a strong focus on counseling as a specific professional identity, the book includes new information on developing one's own approach to counseling and supervision, maintaining satisfactory working relationships with supervisors and colleagues, developing good writing skills and record keeping, and managing crisis and trauma. The Second Edition also reflects such developments as DSM-5 and CORE/CACREP standards. With a concise, accessible writing style, the book describes everything students need to know as they enter and progress through the practicum and internship process. Replete with plentiful case examples and downloadable sample forms and templates, this supportive manual encompasses information addressing how to select and apply for practicum/internships in all settings, including mental health, rehabilitation, schools, addictions, and marriage and counseling. It examines such ethical legal and issues as informed consent, confidentiality, client records, boundary issues, and liability insurance. Multicultural considerations that impact counseling along with the importance of self-care including stress management and dealing with aggressive client behaviors are also discussed in detail. This "mentor in a book" gives counseling students invaluable assistance in preparing for and successfully assimilating their first experiences with the realities of working with clients, and eases the journey toward developing into a self-confident, skilled, and ethical practitioner. New to the Second Edition: Updated to include content on 2014 ACA Ethics Code, CACREP/CORE developments, legal issues, DSM-5, and social media Expanded content on developing an individual approach to counseling and supervision Provides new information on crisis intervention Increased content on supervision styles and models Expanded information on student safety at field sites Augmented discussion of careers Includes expanded self-reflection exercises for the intern Provides downloadable versions of student forms and templates Key Features: Focuses on counseling as a specific professional identity Covers everything students need to know as they enter and progress through the practicum/internship process Helps students to understand the realities of working with clients after they leave the "safe" learning environment Mentors students in a supportive, user-friendly style Includes abundant case examples Includes abundant forms and templates for students, available as online downloads

Campus counseling services today must face the challenges of greater diversity and complexity on campus while making do with fewer resources. In order to be maximally effective, they must be willing to engage with other services within and beyond the campus itself. This comprehensive manual for campus mental health and student affairs professionals is specifically designed to provide the most current information available regarding critical issues impacting the mental health and educational experiences of today's college students. It is unique in its focus on outreach beyond the walls of the counseling center and how counseling services can coordinate their efforts with other on and off-campus institutions to expand their reach and provide optimal services. Written for both mental health counselors and administrators, the text addresses ethical and legal issues, campus outreach, crisis and trauma services, substance abuse, sexual minorities, spiritual and religious issues, bullying and aggression, web-based counseling, and psychoeducational services. The authors of this text distill their expertise from more than 30 years of combined experience working and teaching in a variety of college and university counseling centers throughout the United States. The book serves as both a comprehensive text for courses in college counseling and college student affairs and services, as well as an all-inclusive manual for all college and university mental health and student affairs professionals. Key Features: Offers comprehensive, up-to-date coverage of college counseling center practices and programming Provides a unique focus on integration and coordination with other student services within and beyond the campus Covers a wide range of counseling services including academic and residential Discusses critical contemporary issues such as substance abuse, response to violent and traumatic events, internet bullying, and diversity concerns Written by authors with a wide range of experience in counseling services and other student affairs
