Headlines about "Strange and Startling Deaths In Brooklyn," threw a chill through the riverfront communities close to the discoveries of body parts that were discovered in several places around the community. Fear began to envelope the entire Borough of Brooklyn. And police investigators were without clues as to the events that seem to heading to an even more deadly conclusion. Mangled body parts turned up in several areas of Brooklyn and rumors about unreported findings began to spread way beyond the Borough's borders. Even bustling Manhattan, no stranger to murders, was placed on high alert. Ten murders in as many weeks, all committed with a hatchet-like tool, and officials had no clues or suspects for the killings. More badly decomposed body parts continued to be found, some of which were discovered in a long abandoned tunnel not far from Bensonhurst creating a panic among residents of that community. Murders were not common in this neighborhood, even though the residents had a more than a casual familiarity with infamous mob figures that lived in and/or visited this area for years. However, no vicious crimes had been reported in this subtly protected area, until now. Can it be these discoveries were related to mob activities that went sour unexpectedly, or was it the beginning of a gang war of epic proportions?

Papers from a seminar.

In 1961, young, black, eighth-grade dropout Wilbert Rideau despaired of his small-town future in the segregated deep south of America. He set out to rob the local bank and after a bungled robbery he killed the bank teller, a fifty-year-old white female. He was arrested and gave a full confession. When we meet Rideau he has just been sentenced to death row, from where he embarks on an extraordinary journey. He is imprisoned at Angola, the most violent prison in America, where brutality, sexual slavery and local politics confine prisoners in ways that bars alone cannot. Yet Rideau breaks through all this and finds hope and meaning, becoming editor of the prison magazine, going on to win national journalism awards. Full of gritty realism and potent in its evocation of a life condemned, Rideau goes far beyond the traditional prison memoir and reveals an emotionally wrought and magical conclusion to his forty-four years in prison.

Founded by the chieftain Kempe Gowda around 1537, the story of Bangalore has no grand linear narrative. The location has revealed different facets to settlers and passers-through. The city, the site of bloody battles between the British and Tipu Sultan, was once attached to the glittering court of Mysore. Later, it became a cantonment town where British troops were stationed. Over time, it morphed into a city of gardens and lakes, and the capital of PBI - Indian scientific research. More recently, it has been the hub of PBI - India ` s information technology boom, giving rise to Brand Bangalore, an PBI - Indian city whose name is recognized globally. Hidden beneath these layers lies a cosmopolitan city of sub-cultures, engaging artists and writers, young geeks and students. People from every corner of PBI - India and beyond now call it home. In this collection of writings about a multi-layered city, there are stories from its history, translations from Kannada literature, personal responses to the city ` s mindscape, portraits of special citizens, accounts of searches for lost communities and traditions, among much more. U.R. Ananthamurthy writes about Bangalore ` s Kannada identity; Shashi Deshpande maps the city through the places she has lived in since she was a young girl; Anita Nair draws a touching portrait of a florist who celebrates the glories of the Raj; Ramachandra Guha describes his close bond with Bangalore ` s most unusual bookseller; and Rajmohan Gandhi recounts the Mahatma ` s trysts with the city. From traditional folk ballads to a nursery rhyme about Bangalore, from poems to blogs, from reproductions of turn of the twentieth century picture postcards to cartoons, Multiple City is the portrait of a metropolis trying to retain its roots as it hurtles into the future.

Guidance and procedures for safe and efficient methods from the FBI ' s Laboratory Division and Operational Technology Division. The FBI Handbook of Crime Scene Forensics is the official procedural guide for law enforcement agencies, attorneys, and tribunals who wish to submit evidence to the FBI ' s Laboratory and Investigative Technology Divisions. This book outlines the proper methods for investigating crime scenes, examining evidence, packing and shipping evidence to the FBI, and observing safety protocol at crime scenes. Types of evidence discussed include: Bullet jacket alloys Computers Hairs Inks Lubricants Ropes Safe insulations Shoe prints Tire treads Weapons of mass destruction Particular attention is paid to recording the appearance of crime scenes through narratives, photographs, videos, audiotapes, or sketches. A guide for professional forensics experts and an introduction for laymen, the FBI Handbook of Crime Scene Forensics makes fascinating reading for anyone with an interest in investigative police work and the criminal justice system.

Originally published in 1951, this book contains the stressed Russian text of Dostoyevsky's masterpiece Crime and Punishment. The Russian Edition of the Y.M.C.A. Press, Paris, is used as a basis for this edition. This book will be of use to students of the Russian Classics.
