A skillfully plotted tale of misdeeds and murder--introducing Inspector Hector Salgado, a detective with a complicated past, a love of cinema. . . and a tendency to violence. Under a hot Barcelona sun, a killer is feeling the heat. When the death of a vulnerable young witness in a case of human trafficking and voodoo causes the normally calm Police Inspector Hector Salgado to beat someone up, he is moved off the project and sent instead to investigate a teenager's fall to his death in one of Barcelona's uptown areas. Women are turning up dead in the rural outskirts of Virginia, killed in grotesque ways, and when the FBI is called in, they are stumped. A serial killer is out there, his frequency increasing, and they know there is only one agent good enough to crack this case: Special Agent Riley Paige. Riley is on paid leave herself, recovering from her encounter with her last serial killer, and, fragile as she is, the FBI is reluctant to tap her brilliant mind. Yet Riley, needing to battle her own demons, comes on board, and her hunt leads her through the disturbing subculture of doll collectors, into the homes of broken families, and into the darkest canals of the killer ’ s mind. As Riley peels back the layers, she realizes she is up against a killer more twisted than she could have imagined. In a frantic race against time, she finds herself pushed to her limit, her job on the line, her own family in danger, and her fragile psyche collapsing. Yet once Riley Paige takes on a case, she will not quit. It obsesses her, leading her to the darkest corners of her own mind, blurring the lines between hunter and hunted. After a series of unexpected twists, her instincts lead her to a shocking climax that even Riley could not have imagined. A dark psychological thriller with heart-pounding suspense, ONCE GONE marks the debut of a riveting new series—and a beloved new character—that will leave you turning pages late into the night. Book #2 in the Riley Paige series is also now available!

An audacious psychological thriller where nothing is what it seems. Ted McKay had it all: a beautiful wife, two daughters, a high-paying job. But after being diagnosed with a terminal brain tumor he finds himself with a gun to his temple, ready to pull the trigger. Then the doorbell rings. A stranger makes him a proposition: why not kill two deserving men before dying? The first target is a criminal, and the second is a man with terminal cancer who, like Ted, wants to die. After executing these kills, Ted will become someone else's next target, like a kind of suicidal daisy chain. Ted understands the stranger's logic: it's easier for a victim's family to deal with a murder than with a suicide. However, as Ted commits the murders, the crime scenes strike him as odd. The targets know him by name and possess familiar mementos. Even more bizarrely, Ted recognizes locations and men he shouldn't know. As Ted's mind begins to crack, dark secrets from his past seep through the fissures. Kill the Next One is an immersive psychological thriller from an exciting new voice.

So when Sancha falls under Cesare's irresistible spell, she must hide her secret or lose her life. Caught in the Borgias' sinister web, she summons her courage and uses her cunning to outwit them at their own game.
