Process (EDP) is introduced to the students as they plan and build stable structures.

Applying VEX GO | VEX Education

The Vex are a cyber-organic species as ancient as the Universe itself. While individual Vex units are robotic in appearance, they are merely walking tools for radiolaria, microscopic organisms suspended in Vex milk that contains the species' collective intelligence. The Vex are capable of great feats of engineering such as reconstructing entire planets like Mercury and Nessus into their ...
