When did you last read yours? For over 80 years The Highway Code has been the official guide to using the roads safely and legally. It has contributed enormously to road safety and reliable road transport. However, every day, on average five people are killed and just over 60 people are seriously injured in road collisions. So it is as important as ever that all road users, including drivers, motorcyclists, cyclists, horse riders and pedestrians, should update their knowledge of The Highway Code. The Highway Code - for life, not just for learners.

The official book of car theory test questions, this edition covers the latest requirements of the exam.
