by law enforcement agencies. However, several controversies have also been brought forth regarding this particular Amendment and the invasion of people's privacy, for instance, government surveillance and monitoring of phone calls.

Constitutional Law: Violation of the Fourth Amendment ...

The fourth amendment of the US Constitution prevents search and seizure without a warrant in many cases unless there is probably cause to assume that an individual is violating the law (McInnis, 2010). Evidence that law agents collect during an unlawful search and seizure is not admissible as evidence. This is the result of an Exclusionary Rule.

The Fourth Amendment And Case Law - Free Paper Sample

The Fourth Amendment was enacted to address issues that were very eminent during the colonial America and these issues involved the issuance of searches without a cause or a warrant of arrest. The Fourth Amendment was meant to safeguard an individual from privacy violations in the form of seizures and searches of their properties.

An Analysis of the Fourth Amendment Research Paper

In U.S. constitutional law, the Fourth Amendment is the foundation of criminal law jurisprudence, articulating both the rights of persons and the responsibilities of law-enforcement officials. The balance between these two forces has undergone considerable public, political, and judicial debate.
