history and social history, Raizman builds a cogent argument for studying design as both a production-based discipline and an intellectually-driven profession.”

## **History of Modern Design (2nd Edition) (Fashion Series ...**

The second edition of the History of Modern Design includes several new illustrations, an expanded bibliography and timeline, and a larger section on contemporary design. In addition, the text has been organized into six rather than five parts in order to separate the early nineteenth from the eighteenth century and to present concepts relating to that material more clearly.
