Johanna Morrigan (Beanie Feldstein) is one such lucky dreamer in Coky Giedroyc's adaptation of Caitlin Moran's bestseller "How to Build a Girl." Although she starts out a painfully shy loner who fantasizes about writing professionally, Johanna finds a niche for herself as an upstart rock critic shaking up the boy's club of a music magazine in early '90s London.

Graduating effortlessly from the likeable sidekicks found in Lady Bird and Booksmart to charismatic leading lady, Feldstein is the cement that holds the girl-building of the title together.

The New York Times bestselling author hailed as “the UK’s answer to Tina Fey, Chelsea Handler, and Lena Dunham all rolled into one” (Marie Claire) makes her fiction debut with a hilarious yet deeply moving coming of age novel. What do you do in your teenage years when you realize what your parents taught you wasn’t enough? You must go out and find books and poetry and pop songs and bad heroes—and build yourself. It’s 1990. Johanna Morrigan, fourteen, has shamed herself so badly on local TV that she decides that there’s no point in being Johanna anymore and reinvents herself as Dolly Wilde—fast-talking, hard-drinking Gothic hero and full-time Lady Sex Adventurer. She will save her poverty-stricken Bohemian family by becoming a writer—like Jo in Little Women, or the Bröntes—but without the dying young bit. By sixteen, she’s smoking cigarettes, getting drunk and working for a music paper. She’s writing pornographic letters to rock-stars, having all the kinds of sex with all kinds of men, and eviscerating bands in reviews of 600 words or less. But what happens when Johanna realizes she’s built Dolly with a fatal flaw? Is a box full of records, a wall full of posters, and a head full of paperbacks, enough to build a girl after all? Imagine The Bell Jar written by Rizzo from Grease. How to Build a Girl is a funny, poignant, and heartbreakingly evocative story of self-discovery and invention, as only Caitlin Moran could tell it.

Soon to be a major film directed by Coky Giedroyc and starring Ladybird's Beanie Feldstein as Johanna Morrigan and Game of Thrones's Alfie Allen as John Kite My name’s Johanna Morrigan. I’m fourteen, and I’ve just decided to kill myself. I don’t really want to die, of course! I just need to kill Johanna, and build a new girl. Dolly Wilde will be everything I want to be, and more! But as with all the best coming-of-age stories, it doesn’t exactly go to plan... A Number One Sunday Times bestseller in hardback and paperback, from the award-winning and Sunday Times bestselling author of How to Be a Woman.

Johanna Morrigan (aka Dolly Wilde) has it all: she is nineteen, lives in her own flat in London, and

writes for the coolest music magazine in Britain. Her star is rising, just not quickly enough for her liking. Then John Kite, Johanna's unrequited love, has an album go to number one. Suddenly John exists on another plane of reality: that of the Famoses, a world of rabid fans and VIP access. Johanna lacks the traditional trappings of fame (famous parents, mind-scorching hotness, exotic sandals, etc.), so she does the only thing a self-respecting Lady Sex Adventurer can do. She starts a magazine column critiquing the lives and follies of the Famoses around her. But as Johanna skyrockets to fame herself, she begins to realize that with celebrity comes sacrifice, and hers may mean giving up the one person she was determined to keep. For anyone who has been a girl or known one, who has admired fame or judged it, *How to Be Famous* is a big-hearted, hilarious tale of fame and fortune—and all that they entail.

1913 - Suffragette throws herself under the King's horse. 1969 - Feminists storm Miss World. NOW - Caitlin Moran calls Katie Price 'a mimsy Quisling f**k' and demands to know why pants are getting smaller. There's never been a better time to be a woman: we have the vote and the Pill, and we haven't been burnt as witches since 1727. However, a few, nagging questions do remain: Why are we supposed to get Brazilians? Should you get Botox? Do men secretly hate us? What should you call your vagina? Why does your bra hurt? And why does everyone ask you when you're going to have a baby? Part-memoir, part-rant, *How To Be A Woman* follows Caitlin Moran from her terrible 13th birthday ("I am thirteen stone, I have no friends, and boys throw gravel at me when they see me.") through adolescence, the workplace, strip-clubs, love, fat, abortion, TopShop, motherhood and beyond. After 100,000 years of the patriarchy, the world may never be the same again!

A Kirkus Reviews Best Young Adult Book of 2020 *Family* isn't something you're born into - it's something you build. One young woman's journey to find her place in the world as the carefully separated strands of her life - family, money, school, and love - begin to overlap and tangle. All sixteen-year-old Izzy Crawford wants is to feel like she really belongs somewhere. Her father, a marine, died in Iraq six years ago, and Izzy's moved to a new town nearly every year since, far from the help of her extended family in North Carolina and Puerto Rico. When Izzy's hardworking mom moves their small family to Virginia, all her dreams start clicking into place. She likes her new school—even if Izzy is careful to keep her scholarship-student status hidden from her well-to-do classmates and her new athletic and popular boyfriend. And best of all: Izzy's family has been selected by Habitat for Humanity to build and move into a brand-new house. Izzy is this close to the community and permanence she's been searching for, until all the secret pieces of her life begin to collide. *How to Build a Heart* is the story of Izzy's journey to find her place in the world and her discovery that the choices we make and the people we love ultimately define us and bring us home.

The author of the international bestseller *How to Be a Woman* returns with another "hilarious neo-feminist manifesto" (NPR) in which she reflects on parenting, middle-age, marriage, existential crises—and, of course, feminism. A decade ago, Caitlin Moran burst onto the scene with her instant bestseller, *How to Be a Woman*, a hilarious and resonant take on feminism, the patriarchy, and all things womanhood. Moran's seminal book followed her from her terrible 13th birthday through adolescence, the workplace, strip-clubs, love, and beyond—and is considered the inaugural work of the irreverent confessional feminist memoir genre that continues to occupy a major place in the cultural landscape. Since that publication, it's been a glorious ten years for young women: Barack Obama loves Fleabag, and Dior make "FEMINIST" t-shirts. However, middle-aged women still have some nagging, unanswered questions: Can feminists have Botox? Why isn't there such a thing as "Mum Bod"? Why do hangovers suddenly hurt so much? Is the camel-toe the new erogenous zone? Why do all your clothes suddenly hate you? Has feminism gone too far? Will your To Do List ever end? And WHO'S LOOKING AFTER THE CHILDREN? As timely as it is hysterically funny, this memoir/manifesto will have readers laughing out loud, blinking back tears, and redefining their views on feminism and the patriarchy. *More Than a Woman* is a brutally honest, scathingly funny, and absolutely necessary take on the life of the modern woman—and one that only Caitlin Moran can provide.

We've all been told that nice girls don't get the corner office. And they certainly don't strike out on their own to start a million-dollar company. . . Fortunately, we all know better. As the head of the highly successful SBTV.com (Small Business Television), author Susan Solovic is an authority on making money and building a thriving business. Now in *The Girls' Guide to Building a Million-Dollar Business*, she shows women how to gain the confidence and knowledge they need to become successful entrepreneurs. Featuring interviews with daring, powerhouse women like Gayle Martz, President & CEO, Sherpa's Pet Training Company, and Taryn Rose of Taryn Rose International, Solovic offers frank advice and hard-won lessons including:• Taking emotions out of the workplace. Make business decisions based on what is best for the company, not on your personal feelings. • Thinking big and bold. Believe that you can be successful and be willing to announce your intentions to the world. • Managing for growth. Hire the right people and discover the best ways to keep them. • Never being afraid to take a chance. Boost profits by taking financial risks. Inspiring and unflinching, *The Girls' Guide to Building a Million-Dollar Business* shows women that not only do they have the power to earn more money and control their financial destinies—they deserve to.

New York Times, USA Today, and Wall Street Journal Bestseller! Girls can rule the world—all they need is confidence. This empowering, entertaining guide from the bestselling authors of *The Confidence Code* gives girls the essential yet elusive code to becoming bold, brave, and fearless. It's a paradox familiar to parents everywhere: girls are achieving like never before, yet they're consumed with doubt on the inside. Girls worry constantly about how they look, what people think, whether to try out for a sports team or school play, why they aren't getting "perfect" grades, and how many likes and followers

they have online. Katty Kay and Claire Shipman use cutting-edge science and research, as well as proven methods of behavioral change, to reach girls just when they need it the most—the tween and teen years. Packed with graphic novel strips; appealing illustrations; fun lists, quizzes, and challenges; and true stories from tons of real girls, *The Confidence Code for Girls* teaches girls to embrace risk, deal with failure, and be their most authentic selves. If you or the girl in your life loved *The Gutsy Girl* or *Rad American Women A-Z*, you'll love this.

Fifteen-year-old Morag Narmo really doesn't want to go to school any more. She and her siblings would rather feed their heads into the waste-disposal unit than "do the academical". So they are all stunned when their parents whisk them out of school and embark on a home-schooling experiment. But with five children, two unruly pets and some extremely eccentric attitudes, the educational experiment soon descends into chaos... Witty, razor-sharp and laugh-out-loud funny, *The Chronicles of Narmo* show us how before Caitlin Moran knew *How to be a Woman*, she had to find out *How to be a Girl*.
