Cheapskates rack up huge lifetime savings - and so they can set aside far more for retirement - by keeping debt out of their lives as much as possible and, when they do take on debt (usually just for a home mortgage), paying it off as quickly as possible. Cheapskates live by the old-school rule that "If you can't afford to pay for it now, you simply can't afford it."

days will be like. But when it comes to turning those dreams into reality, women's retirement confidence and know-how is low. According to a 2012 survey, 92 percent of women of all ages in this country don't feel they're educated enough to reach their retirement savings goals. For the woman who doesn't know where to start or would like a knowledgeable guide who speaks her language, financial expert Mary Hunt offers a comprehensive but approachable resource for saving and planning for retirement. Whether she feels entitled to retire at age 65, hopes she'll be able to stop working someday, or is convinced she'll never be able to retire, every woman will find real help in these pages. With her signature no-nonsense, energetic style, Hunt assures women that it's only too late

File Type PDF How To Retire The Cheapskate Way

If they don't start now. She clearly covers every aspect of retirement planning during every season of a woman's life, giving women the confidence they need to shape their futures.

Here is a single-sit read than can change the course of your retirement. Written by Dr. Teresa Ghilarducci, an economics professor, a retirement and savings specialist, and a trustee to two retiree health-care trusts worth over \$54 billion, How to Retire with Enough Money cuts through the confusion, misinformation, and bad policy-making that keeps us spending or saving poorly. It begins with acknowledging what a person or household actually needs to have saved—the rule of thumb is eight to ten times your annual salary before
