Implementing Communicative Language Teaching Method In
Communicative language teaching (CLT) is generally regarded as an approach to language teaching (Richards and Rodgers 2001). CLT is based on the theory that the primary function of language use is communication. Its primary goal is for learners to develop communicative competence (Hymes 1971), or simply put, communicative ability.

Challenges in Implementing Communicative Language Teaching ...
Abstract. Communicative language teaching (CLT) and task-based language teaching (TBLT) have been widely adopted in the Asia-Pacific region, with a number of Asian countries strongly promoting CLT and TBLT in their curricula and English language education policies. Despite their popularity, a number of challenges have arisen in connection with implementing CLT and TBLT in Asian classrooms.

The Implementation of Communicative and Task-Based ...
For this reason, the syllabus of courses that adopt a Communicative Approach to teaching favour lesson aims that will help students practice and develop their linguistic competence, rather than their grammatical competence. In order to achieve this, different types of syllabi were created, amongst them, the functional-notional syllabus, that enables learners to focus on the meaning (function) of language and practice it in a realistic setting:

What is the Communicative Approach?
Communicative Language Teaching (CLT) Communicative Language Teaching. •(A functional approach since 1970s): it is an approach, not a method: a unified but broadly based theoretical position about the nature of language and of language learning and teaching. Background. •This approach is found in the changes in the British language teaching tradition dating from the late 1960s.

STORRE: Implementing Communicative Language Teaching ...
Communicative language teaching, or the communicative approach, is an approach to language teaching that emphasizes interaction as both the means and the ultimate goal of study. Language learners in environments utilizing CLT techniques, learn and practice the target language through the interaction with one another and the instructor, the study of "authentic texts", and through the use of the language both in class and outside of class. Learners converse about personal experiences with partners

Communicative language teaching - Wikipedia
CLT is usually described as a method of teaching. Communicative language teaching can be understood as a set of principles about the goals of language teaching, how learners learn a language, the kinds of classroom activities that best facilitate learning, and the roles of teachers and learners in the classroom.
