Could it get any worse? Two shipwrecked sailors have different views of an absurd series of dilemmas in a wry, visually lavish tale for pessimists and optimists alike. As a pair of shipwrecked sailors float on what’s left of their ship, Albertini is none too happy. The rain, he observes, is unfair enough. Then the flying fish appear overhead—the ones with the sick stomachs. And the singing mermaids, leaving infernal earwoms in their wake. There’s the ghost ship full of pirates and the ark teeming with ravenous beasts. But no matter how bad the situation seems, George, cheerfully playing his harmonica, reminds his friend it could always be worse. Abhh! But hang on . . . is that a giant whale with an overpowering case of tuna breath? Delightfully detailed illustrations add visual comedy to a meditation on tough times that shows that even the worst days can turn around—especially with friends.

A Library Journal Best Book of 2013! A Booklist Best Crime Novel of 2013! There is very little peace for a man with a body buried in his backyard. But it could always be worse... More than a year ago, mild-mannered Jason Getty killed a man he wished he'd never met. Then he planted the problem a little too close to home. But just as he's learning to live with the undeniable reality of what he's done, police unearth two bodies on his property—neither of which is the one Jason buried. Jason races to stay ahead of the consequences of his crime, and while chaos reigns on his lawn, his sanity unravels, snagged on the agendas of a colorful cast of strangers. A jilted woman searches for her lost fiancé, a fringe dweller runs from a past that's quickly gaining on him, and a couple of earnest local detectives piece clues together with the help of a volunteer police dog—all in the shadow of a dead man who had it coming. As the action unfolds, each character discovers that knowing more than one side of the story doesn't necessarily rule out a deadly margin of error. Jamie Mason's irrepressible debut is a macabre, darkly humorous tale with the thoughtful beauty of a literary novel, the tense pacing of a thriller, and a clever twist of suspense.
