best time to make a major impact on how you were judged by the NFL scouts from all 32 teams in the league. Watt was able to do that as he came in as his six-foot-five, 290-pound physique that was easily noticed. He wasn't the fastest in the 40-yard dash, but it wasn't too far from the leaders at about 4.81 seconds -which is still a good mark for someone of his size. He was also able to do a 10-yard split in about 1.64 seconds, the 20-yard split in 2.71 seconds and completed the three-cone agility drill in just under seven seconds. He was also a standout for his strength with a total of 34 repetitions of bench pressing the 225-pound weight given to all Combine participants. In addition to his opportunities to show his speed and strength, he was also able to complete the vertical jump at about 37 inches and then performed a 10-foot broad jump. Now in addition to his physical skills, Watt also scored a 31 on the Wonderlic Cognitive Ability Test, which is famously used by NFL teams to see how well the new batch of rookies can show their aptitude for solving problems that could translate to being able to think quickly on the field when faced with a variety of adversities to find success. The average player in the NFL would score about 20 on this Wonderlic test, while a perfect score would be 50. Watt's 31 was close to players like Green Bay quarterback Aaron Rodgers' 35 and a lot better than other notable players who have had scores as low as 4 (i.e. Morris Claiborne from the 2012 NFL Draft). Yet with all of those statistics from the NFL Combine, Watt was marked with a grade of 8.37 out of 10, which fell within the range that predicts whether or not a player will be capable of becoming an All-Pro player in the league. The experts from the NFL were considering Watt as a perfect fit for a team that uses a 4-3 defensive scheme - four linemen and three linebackers. However, experts speculated that there might be some benefits to using him as an end in a 3-4 - three linemen and four linebackers. He did receive some negative marks for not being considered a fast start off the line and attacking blocks, but made up for it with his ability pursue the quarterback with straight-line speed. Here is a preview of what is inside this book: Early Childhood High School Football College Football at Stanford Richard Sherman's NFL Career Personal Life Sherman's Overall Legacy An excerpt from the book: On March 30, 1988, Richard Sherman was born in Compton, California, a city that rests in the southern part of Los Angeles County that is very well known for having a lot of gang activity. It was a rough area to live in throughout the 1990s and even the early 2000s. Sherman was born to Kevin and Beverly Sherman and had an older brother named Branton. He also had a sister, Krystina, who was three years younger. Sherman's father Kevin was worked hard every day as a garbage truck driver, and continues to today, even after Sherman received his big contract a few years ago. Kevin Sherman was able to teach by example to both Richard and his older brother Branton, reminding them that no matter what you do in life, the most important thing is to take care of your family. Despite losing his right eye in a go-kart explosion at age 14, Kevin Sherman was always going to work, waking up at around 3:45 A.M. every day to get his job done. Even during the holidays, you could expect to find Mr. Sherman working to earn a bigger paycheck. This has been his career for almost 30 years. Before his current career, Kevin Sherman had professional experience in fast-food restaurants and at a flower shop. His father was also considered a good athlete before the right eye was lost, standing out at Crenshaw High School in Los Angeles, California. However, he would find himself spending much of his time as a young adult around gang members. It would lead to him being shot twice in the chest with both bullets just barely missing his heart. That incident resulted in a change for the better, and Kevin Sherman would make sure he provided his future family with a better life than

what he had. Sherman noted in a Los Angeles Times article back in 2014 that he considered his father a remarkable role model for facing the adversity of living with only one eye. "When I was young, I tried to drive with one eye closed just to see how hard it was," Sherman told the L.A. Times. "I can't imagine going through that." Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family."—Peyton Manning In his memoir *Son of Bum*, decorated NFL coach Wade Phillips shows that the roots of his knowledge come from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't bitching," as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. *Son of Bum* is more than one man's memoir—it's a story of family and football and a father who inspired his son.

Colin Kaepernick risen one of the best young quarterbacks, holding several league records in rushing yards for quarterbacks in the post season. In this book, we'll explore Colin Kaepernick's journey to the NFL, as well as his impact on the game. Here is a preview of what is inside this book: Childhood and Early Life High School Years College Years at University of Nevada Colin's NFL Career Colin Kaepernick's Legacy and Future An excerpt from the book: Colin Kaepernick continued to develop his overall athleticism by becoming a three-sport athlete at Pitman High School in Turlock. He played football in the fall, basketball in the winter, and baseball in the spring. Two of the three would eventually become his standout sports. Kaepernick didn't have to do much as a quarterback at first. In fact, the Pride was known as a running team with a few powerful backs. In his game as a starter on September 9, 2004, Kaepernick only had five attempts with two completions - one of which was a 21-yard pass for a first quarter touchdown. But the team was led by junior-back Anthony Harding's 233 yards, and senior-back Mark Runyan's 117 yards as Pitman combined for 471 rushing yards in a 46-36 win at home against Kennedy High School (Sacramento). One week later, Kaepernick began to show how good of an arm he had when he went 14-for-20 for 203 yards and three touchdowns in a 19-7 victory over Johansen High School (Modesto) on September 17, 2004. The games would flip between whether the Pride would focus more on the rushing attack, or let Kaepernick have the opportunities to throw. His final numbers at the end of the season were 1,051 passing yards, 13 touchdowns, and four interceptions. Kaepernick helped the Pitman Pride to an 8-3 record in his junior season that ended on November 19, 2004 against West High School from Tracy, California - a state playoff game where they lost 35-21. Kaepernick was 14-for-27 for 171 yards, one touchdown, and one interception. Tags: Colin Kaepernick, Eli Manning, Tom Brady, Andrew Luck, Aaron Rodgers, Drew

This inspiring, honest, uproarious collection of essays traces Sebastian Maniscalco's career from playing boxing rings and bowling alleys to reaching the pinnacles of comedy success. At twenty-four, Sebastian Maniscalco arrived in LA with a suitcase and saved up minimum wages. He knew no one and nothing about standup comedy, but he was determined to go for it anyway. At forty-four, he's on the Forbes' list of highest earning comedians, sells out arenas, and has starred in four hit comedy specials including Why Would You Do That? on Showtime. Stay Hungry tells the story of the twenty years in between. On the way from clueless rube to standup superstar, Seb was booed off stages; survived on tips and stolen food; got advice from mentors Andrew Dice Clay, Vince Vaughn, Tony Danza, and Jerry Seinfeld; fell in love; and stayed true to his Italian-immigrant roots. The one code that always kept him going: stay hungry, keep focused, never give up, and one day, you'll make it.
