NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This package includes the Enhanced Pearson eText and the bound book This guide gives current and future educators practical help for rediscovering the value, potential, richness, and adventure of a diverse classroom-while developing the capacity to professionally address the differential learning and transition needs of culturally and linguistically diverse (CLD) students. Ideal for pre- and in-service teachers, district and building administrators, school specialists, and paraprofessionals, it presents the latest tools, procedures, strategies, and ideas for ensuring effective teaching and learning for students of any native language. Included are new ways to reach and maximize relationships with parents, caregivers, and extended family members by partnering with them in appropriate pedagogical practices. The new Third Edition of Mastering ESL/EFL Methods includes illustrated concepts; global connections; tips for practice in the EFL classroom; a revised framework for the conceptual definitions of approach method, strategy, and technique; an expanded Glossary; interactive video links; a revised discussion of dual language programs; and an overview of program model effectiveness. The Enhanced Pearson eText features embedded videos. Improve mastery and retention with the Enhanced Pearson eText\* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.\* Affordable. The Enhanced Pearson eText may be purchased stand-alone or with a loose-leaf version of the text for 40-65% less than a print bound book. \* The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. \*The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later. 0133832228 / 9780133832228 Mastering ESL/EFL Methods: Differentiated Instruction for Culturally and Linguistically Diverse (CLD) Students, Enhanced Pearson eText -- Access Card

This innovative new textbook firmly roots management accounting in management, placing the emphasis on the management accountant as a key member of the management team and the strategic business decision making process. Unique case studies and examples of worldwide practices illustrate how concepts and techniques are applied in real-world business situations. It explores how management accounting techniques are adapted and modified to support specific industries from energy to media sectors and covers topical issues such as: Environmental accounting Environmental auditing and ISO14001/EMAS The balanced scorecard Kaizen costing Target costing Social responsibility Features Integrates the most up-to-date and relevant research with a broad approach to management accounting. Presents compelling examples of real organisations, exploring the interactions of management accounting in practice. Extends knowledge of management accounting concepts and techniques to how they can be used for strategic decision making and management control. Uses Excel to develop and apply solutions methods. Examines how management accounting techniques are adapted and modified to support specific industries from energy to media sectors. Covers topical issues such as activity-based budgeting, the balanced scorecard, target costing, capacity planning, quality management, Six Sigma and performance measurement. Fully compliant with developments within the professional bodies such as CIMA and ACCA. Offers end-of-chapter exercises to extend your critical thinking and applications of key concepts. Provides short case studies, so you can practise manipulating and analysing data. This is the ideal textbook for students studying management accounting at advanced undergraduate and postgraduate level.

This eighth edition retains all of the classic features that have contributed to the book's success: clarity of expression, the focus on the accounting equation, student activities and real-life commentaries running through each chapter, and the inclusion of the Safe and Sure Annual Report as an example of a listed company. Written by an expert teacher in Accounting, the eighth edition of this well-respected text retains all the features that have contributed to the book's popularity: focus on the accounting equation, an even greater range of student activities throughout each chapter, a clear and accessible writing style, and extensive use of real-world case studies. With a strong emphasis on the 2018 Conceptual Framework of the International Accounting Standards Board, Financial & Management Accounting: An Introduction guides students in understanding the 'why' and not just the 'what' of financial and management accounting. Key features: Definitions and terminology are aligned with the 2018 IASB Conceptual Framework Fully up-to-date with the International Financial Reporting Standards (IFRS) New case studies giving examples from real-world companies Activities aligned to each section of a chapter to encourage students to explore and consider issues from different angles Expanded for this edition, experience-driven conversations between two managers are included throughout, updated with an even more practical emphasis Coverage on fair value throughout Exploration of the Strategic Report and Directors' Report Focuses on specific knowledge outcomes, with end-of-chapter self-evaluation Questions are graded according to difficulty to test student understanding Financial & Management Accounting: An Introduction is a core textbook for undergraduates on Business Studies degrees, undergraduates on Accounting courses, students studying accounting for MBA and postgraduate courses, and professional courses where accounting is introduced for the first time. Visit www.pearsoned.co.uk/weetman for a suite of resources to accompany this textbook, including: A companion website for students, containing multiple choice questions to enable you to test your knowledge A complete solutions guide for lecturers PowerPoint slides for each chapter for lecturers.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Directed primarily toward Accounting college/university majors, this text also provides practical content to current and aspiring industry professionals. Introduction to Management Accounting helps to enhance readers' ability to make effective economic decisions by encouraging them to understand the inner-workings of the concepts, rather than solely focusing on technique memorization. Overall, this text describes both theory and common practices in a way that will help readers produce information that's useful in day-to-day decision-making. 013305974X / 9780133059748 Introduction to Management Accounting Plus NEW MyAccountingLab with Pearson eText -- Access Card Package Package consists of: 0133058786 / 9780133058789 Introduction to Management Accounting 0133059251 / 9780133059250 NEW MyAccountingLab with Pearson eText -- Access Card -- for Introduction to Management Accounting

Management Accounting is a comprehensive textbook with a focus on the essentials, designed to help students understand the basic concepts and practice underlying management accounting in a systematic manner. A balanced approach between theoretical and numerical aspects of the subject has been adopted to ensure ease and clarity in learning. The lucid writing, contents and organization of the chapters make the book eminently suitable for the undergraduate students of various Indian Universities.
