This book gives examples how to zoom out for brief moments during the day and get refocussed. It's not a replacement for daily longer meditations (to find real peace of mind one has to sweat the big stuff-), but it's a good start!

Mindfulness on the Go: Peace in Your Pocket: Amazon.co.uk ...

Jan Chozen Bays provides here 25 practices that can be used on the go to cultivate mindfulness. The three-breath practice, the mindfulness of entering rooms, offering compliments, tasting your food one careful bite at a time--these deceptively simple practices can have a cumulative effect for the better.

Mindfulness on the Go: Simple Meditation Practices You Can ...

It is often challenging to weave mindfulness into our day as we get caught up in the busyness of life. It can feel overwhelming sometimes to know what to do and how to start doing something different and having to decide stops us doing anything at all. Mindfulness on the Go is designed to address this problem. The illustrated book introduces the essential pillars of mindfulness and how to cultivate it and the 52 cards offer a day-by-day invitation to put it into practice.

Mindfulness has long been proven to help dealing with stress, anxiety and depression. This book gives examples how to zoom out for brief moments during the day and get refocussed. It's not a replacement for daily longer meditations (to find real peace of mind one has to sweat the big stuff-), but it's a good start!

Mindfulness on the Go: Peace in Your Pocket eBook: O ...

Mindfulness on the Go begins by addressing the excuses we tell ourselves about why we haven't started placing mindfulness and answers them. For example, the author O'Morain says you can be mindful and yell at kids simultaneously! Mindfulness essentially boils down to acknowledging our current reality. How are you feeling right now?

Mindfulness On the Go: Quick And Easy Tips For Achieving ...

"This doesn't block stressful events, but it allows tension to move through you more easily." In fact, research shows that mindfulness can improve your mood, help you manage a heavy workload, and ease symptoms of depression and anxiety. Not sure where to start? Try these mindfulness exercises you can do on the go—no crazy-long yoga class required.

Mindfulness Exercises You Can Do Anywhere | Shape

Participants were 238 healthy employees from two large United Kingdom companies that were randomized to a mindfulness meditation practice app or a wait-list control condition. The app offered 45...

(PDF) Mindfulness On-The-Go: Effects of a Mindfulness ...

Mindfulness training may promote the positive reappraisal of stressful circumstances as benign or meaningful (Garland, Gaylord, & Park, 2009) and can improve recovery from negative emotional events (Crosswell et al., 2017). In a work context, these enhanced coping abilities may lead to the reappraisal of demands as manageable and work stressors as within one's control, leading to decreased job strain.

Mindfulness - NHS

Practice letting the destination go. Be in the moment as you walk. Feel the breeze and enjoy your steps if you can. If you can't enjoy the walk, just feel the sensations in your feet – that's mindfulness. Keep bringing your mind back into the moment, again and again, and, hey presto, you're meditating as you walk.

How to Use Mindfulness on the Go - dummies

Connect with this time as a way of moving away and letting go of one area of your life and coming towards another. Step 3: Arriving at work The third video helps you pay attention to the start of your working day, be present to your surroundings and colleagues and to perhaps place an intention for the working day ahead.
