250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

In addition to test questions in each of the five domains and two practice tests in print and online, this all-in-one study guide also contains flashcards for learning terms. This book is current with The Standard for Program Management, Fourth Edition, and its author is the second person in the world to have earned the PgMP(R) certification. The online versions of the practice test simulate taking the actual exams and provide scoring as above target, target, below target, or needs improvement. Answers come with explanations and references. Questions are written to improve reading skills and teach how to select the best answer, which are key to passing the exam.
