You need a study guide that gives you just the right balance of information, not too much and not too little. PTCB Exam Simplified provides just the right amount of information. Though I did not obtain her endorsement personally, I am pretty certain Goldilocks would choose PTCB Exam Simplified if she were preparing to take the PTCE. #4 --A Substantial Review of Pharmacy Calculations-- Math problems make up a large portion of the PTCB exam, and you need to be prepared in order to be successful. Many of the best-selling PTCB exam study guides fail to prepare students adequately in this category, but PTCB Exam Simplified provides a thorough review of pharmacy calculations. #5 --Study and Quiz Yourself at the Same Time-- You want a study guide that can equip you with exam-relevant knowledge as quickly as possible. PTCB Exam Simplified does this by providing you with questions and answers that allow you to quiz yourself as you study.
