How to Use Lightroom: A Complete Tutorial for Beginners

I wrote this Beginner's Guide to Lightroom to help you, and I wish I would have had something like this when I first got started. It's designed to help you through a few basic steps from opening up Lightroom for the first time, making two

Online Library Photography For Beginners Photoshop

basic edits, and exporting (saving) a final version of your picture.

Total Beginner's Guide to Lightroom - Step by Step

Lightroom vs Photoshop Serious
photographers rarely ever publish images
straight out of their cameras, so the

Online Library Photography For Beginners Photoshop

journey is usually started with basic post-processing tools like Lightroom. It is important to note that there is a huge difference between Lightroom and Photoshop when we open the software for the first time.
