Lauren Werthman struggles with guilt and depression. Even moving to another state and into a new home doesn't help her overcome the life-altering aftermath of losing her sister. Memories of the tragic accident reverberate through her life as her family tries to cope, but Lauren's life spirals out of control. Her mother criticizes her choices every day, her father continues to work later and later, and people at her new school seem to know the family secret. Lauren binge-eats, has nightmares, and doubts the existence of a God Who didn't intervene to prevent the senseless tragedy. As Lauren's family and friends work through the pain and guilt, will they find that even though the void will always remain, the power of forgiveness brings peace and hope and a bright future, or will Lauren forever be lost to the pain and guilt?

Tom Harper, a Vancouver Island realtor, has the client from hell, Ali Page, a beautiful and intelligent young lawyer returning from the mainland to take up a job with an island law firm. Trouble is there ' s always something wrong with the properties Tom shows her, always a reason not to commit. Finally, after they find a condo she likes, he receives a text thanking him for his help. Ali signs off: I ' m sad we won ' t get to spend more time together. Often cold and withdrawn throughout their weeks of searching, Ali ' s words seem strangely out of character. The texts keep coming, increasingly incoherent and disturbing. What does Ali mean by: we have a special connection, and why on earth would she say: I ' ll be here for you when you leave your wife? Happily married, Tom cannot understand why a woman not much older than his teenage daughter is suddenly obsessed with him. When he rejects Ali ' s unsolicited advances, Tom soon discovers the sinister depths to which a delusional mind will sink to obtain what it wants. Isolated and seemingly abandoned by the police and legal system, this is the story of one man ' s struggle to rescue his marriage, his family, and his sanity in the face of overwhelming psychological and physical torment. Praise for WATCH FOR ME: " Deliciously creepy with a twist you won ' t see coming! " —Helen Hardt, #1 New York Times bestselling author " I read spellbound as Tom Harper ' s life is demolished brick by brick. Assured, remorseless writing, that grabs the reader and doesn ' t let go. Highly recommended. " —Michael Ridpath, author of The Diplomat ' s Wife " I absolutely loved this book. One of the best I ' ve read in ages—gripping, thrilling and pretty scary! " —Alex Pine, author of The Christmas Killer " This is an outstanding novel that got its hooks in me from the first page. I love the laser-focused storytelling—the terror of Ali Page is evident in every line. It ' s like a clinic on how to write a thriller, every beat of the plot is perfectly placed. " —Chris Rhatigan, publisher of All Due Respect Books " Compelling reading...Psychologically gripping...Haunting storytelling. Young, attractive—and mentally unhinged—Ali Page is some men ' s dream girl, but one man ' s worst nightmare. Watch for Me will have you flipping the pages until the cathartic surprise ending. " —Bryan Quinn, author of The Package and No Good Deed Goes Unpunished " Riveting, from the beginning to the end. Once again, Bodenham catches you by surprise with his twists. Capturing the essence of the Pacific Northwest, Watch for Me is a must read. " —Tracie Ingersoll Loy, author of the Hartz Island Mysteries " When Tom helps young Ali Page to find a new home, he knows that something isn ' t right. When she begins to obsessively text him, his world falls apart. As we enter the dark mind of a fantasist living amidst the claustrophobic confines of an island, we plunge into a disturbing world with no way out. This is an unsettling tale of one woman ' s illusions that leave devastating consequences in their wake. " —Jackie Bateman, author of Straight Circles

Marriage—it ' s all about love and understanding and being with each other for the rest of your days. For Elise, it means something entirely different. Thrown into a marriage on her father ' s orders, Elise isn ' t prepared to be married to the man known as Luca Pasquino. Luca is the next capo in line to take over his father ' s empire with an iron fist. He ' s cruel, he ' s evil, and he ' s ready to destroy anything and anyone that gets in the way of his plans for complete control. Elise has no idea what is in store for her. All she knows is that she can try to survive her life for the rest of her days with Luca. Update from author: I'm listening! In my zeal to tell my story, I relied on the expertise of others to ensure it went from my head to the printed page, which didn't go exactly as planned. Deadly Vows has now been re-edited to ensure the grammar and punctuation are now as they should be. Enjoy!

While other children were daydreaming about dances, first kisses, and college, Jodee Blanco was trying to figure out how to go from homeroom to study hall without being taunted or spit upon as she walked through the halls. This powerful, unforgettable memoir chronicles how one child was shunned—and even physically abused—by her classmates from elementary school through high school. It is an unflinching look at what it means to be the outcast, how even the most loving parents can get it all wrong, why schools are often unable to prevent disaster, and how bullying has been misunderstood and mishandled by the mental health community. You will be shocked, moved, and ultimately inspired by this harrowing tale of survival against insurmountable odds. This vivid story will open your eyes to the harsh realities and long-term consequences of bullying—and how all of us can make a difference in the lives of teens today.

Some might say Julian is sheltered. But he lives large, and his eternal optimism allows him to see infinite possibilities wherever he looks. Despite his optimism, he is anxious about his stressed family falling apart. Even his ability to "uni-sense" what's happening with his sister is gone. If he can make his family focus on the magic in the universe, surely they'll appreciate life again. Now that they are moving from Washington, DC, to rural Maine, Julian can use his beloved telescope without any light pollution. He can discover a comet, name it for himself, and show his family how they're all truly connected. As Julian searches the night sky, he encounters a force that may drive his plan apart. His neighbor, Mr. X, could bring an end to his parents' dream of opening their B&B. Could one negative force unravel everything?

An avid student of science, Julian understands that there is much about the universe that we don't yet know. Who is to say what's possible and what's not?

Some secrets should never be kept. CJ Witmore seems to have the perfect life, but being the son of a Hollywood star means keeping a dark family secret. Despite constant pleas from his girlfriend, CJ refuses to share that part of his life, fearful that if she learns the truth, his whole world will crumble. Enter Emily, a girl CJ meets at the worst possible time, as he 's being triggered by an upsetting phone call. Although CJ 's first interaction with Emily is a disaster, he finds her intriguing. Hell, he may even like her, but he 's soon forced to ask himself: Who is Emily? What is she hiding? It seems Emily has secrets of her own. When CJ learns the details of his Dad 's impending marriage, he 's no longer able to think of just himself. CJ must do whatever it takes to protect a boy he barely knows, even if it means putting himself at risk. He 's forced to face his past and decide once and for all if his secrets are everyone 's business or nobody 's business. Trigger Warning: Abuse (sexual, physical, emotional), suicide, child pornography

As a sequel to the New York Times bestseller Please Stop Laughing at Me..., the 2007 release of Jodee Blanco's Please Stop Laughing at Us... received deserved attention for demanding an end to school bullying once and for all, and for supplying parents, educators, and targeted students with the tools and skills needed to do so. In this 2011 revised edition, Please Stop Laughing at Us...One Woman's Inspirational Story Continues includes the same powerful message that Blanco is respected and known for, with new material, including strategy guides for parents and educators, new material, including a Q&A for parents and educators, updated information on university bullying in light of recent news events, and a touching epilogue. Please Stop Laughing at Us...is the story of America's rejected and bullied students from the perspective of the one person with unprecedented access to the truth about what's going on in our schools. Blanco exposes both the strengths and vulnerabilities of a nation too clouded by rhetoric and self-defense to understand what really needs to be done.

The Vineyard takes you on a journey into a series of mental, physical and spiritual experiences in form of songs of various genres, poems on different issues and inspired quotes on life's situations. Step up to ShyVino's Book of Rhymes and have a sip of the wine made with a blend of love and emotions, fortitude and tenacity, living and surviving with physical, emotional and spiritual aspects of life; which he offers from his vineyard . The book is a compilation of rap, songs and poems in the order they were written. Some of these lyrics, if not all, can pass for articles for reflection or prayers. When you get to the final page, you would have succeeded in completing a journey of several years, on various issues, with Nzefili.

This book describes the difficulties a family encounters as they live through a heartrending journey with a son who has chosen a life of addiction. Many families will be able to relate to the scenarios within their own lives. It is written with an interesting twist of nursery rhymes revised to describe a young man 's attempt at life. Don't be surprised to read that Cliff could jump over the moon or that the Son came down and washed the devil out. In this account of a family 's attempt at normalcy, one realizes that a life guided by Christ will never be normal, because He specializes in the unbelievable. The faith of a mother, the grace of the Lord, and the undeniable hold of addiction are all rolled up in this story of a boy who always seems to be just beyond the window.
