Krum Botev has never had anything in life apart from himself. He knows only what he has been taught. Hard, selfish, insensitive, but faithful to the Father, the one who raised and educated him according to the values of the secret society he is part of. No one has ever succeeded in knocking down his armor. No one can touch him outside or inside: no-one except her, who is part of that past Krum cannot forget. Ambra Livori, a beautiful and wealthy heiress, has always had everything. But nightmares don't give her a break. They go on showing her the man who ruined her life when she was only sixteen. The memory of him, over time, has become a perverse feeling she cannot tolerate. Just when Ambra decides to learn how to control her emotions, she receives a strange call. Her origins will be questioned and the past will become a terrible present from which she won't be able to escape. Fighting for herself will be the only solution. What links Ambra and Krum? But most of all, can two different souls be able to touch each other outside and inside? A secret organization, an uncontrollable passion, a man and a woman destined to clash.
