Fletcher *The Christmasaurus*
Overall, *The Christmasaurus* is an outstanding novel with a key message about the importance of friendship and family, celebrating difference and believing in yourself. It is an incredible step forward in the representation of wheelchair users in children's books, educating a new generation about disability.

The Christmasaurus by Tom Fletcher - Goodreads

The Christmasaurus is wonderful. It's an enchanting, funny, poignant and has bags full of charisma and charm. The only thing I can say about it is if you haven't read it yet, do so. This book is perfect for kids aged 5 to 10, although frankly at 46 it's one of my favourite reads of the year so far.
