Revival is here to show you there's a better, more beautiful way to grow food. Instead of row after row of cabbage and pepper plants plunked into a patch of dirt in the middle of the yard, kitchen gardens are attractive, highly tailored food gardens consisting of easy-to-maintain raised planting beds laid out in an organized geometric pattern. Offering both four seasons of ornamental interest and plenty of fresh, homegrown fruits, vegetables, and herbs, kitchen gardens are the way to grow your own food in a fashionable, modern, and practical way. Kitchen gardens were once popular features of the European and early American landscape, but they fell out of favor when our agrarian roots were displaced by
