New York City - New York City - Growth of the metropolis:
Despite the loss of the national government, New York ' s
population skyrocketed in 1781–1800, and it became
America ' s largest city. Once again trade grew rapidly, and
not even the War of 1812 hindered development; an auction
system for surplus British merchandise dumped in New York
solidified the city ' s economic position after 1816.
