## YouTube **Commander**

The Only Thing Worth Dying For chronicles the most important mission in the early days of the Global War on Terror, when the men on the ground knew little about the enemy - and their commanders in Washington knew even less. With unprecedented access to surviving members of ODA 574, key war planners, and Karzai himself, award-winning author Eric Blehm cuts through the noise of politicians and high-level military officials to narrate, for the first time, a story of uncommon bravery and ...

"The mission, the men, and me." Back in 1985 when Pete was the new second lieutenant, his commander called Pete into his office. He was asked about the 3Ms which he was unfamiliar with. It stood for the mission, the men, and me. They all connect from first to last so when one is lost, all three are screwed. The mission is what your aiming for, the goal.
