Megan Alexander is a national correspondent for Inside Edition and a special correspondent for Thursday Night Football on CBS. In *Faith in the Spotlight* she shares her practical advice for achieving excellence in career, faith, and family and gives us an honest look at thriving in a secular industry as a believer. At just thirty-five, Megan Alexander has successfully built a career in the competitive television industry without compromising her faith and values. But while she has experienced the triumphs of that dynamic entertainment lifestyle, she knows how difficult it can be for Christian women to get ahead in their careers and simultaneously navigate their roles at home and in their faith. She offers a fresh and millennial-centered perspective on how to build a successful career while being married and raising a family. In *Faith in the Spotlight*, Megan addresses how to succeed in your career while also staying true to one's beliefs. She gives inspiring, real-life examples of why women can—and should—lead in the workplace. She also shares valuable insight and behind-the-scenes stories from her interviews with famous athletes, media moguls, entertainers, and more. Drawing on her experience, she offers advice for plotting a career path, negotiating job contracts, competing and succeeding with the best and the brightest, and navigating difficult situations while maintaining strong faith and values. She also writes about the importance of mentors, coping with rejection, handling high-pressure situations, and the ways being a Christian fulfills her role in a superficial society. *Faith in the Spotlight* is an intelligent, thought-provoking book about achieving success, and will leave anyone empowered to dive into their career!

Updated in 2017 with a new author's note and chapter on building effective business relationships! “ Penned by an exceptionally bright woman whose ideas will enlighten you, brighten and brilliantly ignite vision in all who read it. Out of the matrix of her wisdom emerges a book that will revolutionize your life and may very well alter your thinking as we go into a new era of time. A must-read! ” —Bishop T.D. Jakes, New York Times bestselling author of *Reposition Yourself: Living Life Without Limits* Carla Harris, one of the most successful and respected women in business, shares advice, tips, and strategies for surviving in any workplace environment. While climbing the corporate ladder, Harris had her own missteps and celebrated numerous victories. She vowed that when she reached senior management, and people came to her for advice, she would provide them with the tools and strategies honed by her experience. “ Carla's Pearls ” have become the centerpiece for her many speeches and television appearances. Now, Carla shares these valuable lessons, including: · Authenticity: The Power is You · The Ninety-Day Rule · Perception is the Copilot to Reality · The Mentor, the Sponsor, the Adviser: Having Them All · Leverage Your Voice · Balance is a Necessity: Use Your Passions to Achieve It · Expect to Win: Show Up with Your Best Self Every Day *Expect to Win* is an inspirational must-read for anyone seeking

that we are living at a very interesting time, when all of us are being challenged one way or another. Therefore, if you do not know who you are, why you are, where you are and when you are—escaping from the snare of this era will not only be difficult, but will likely leave you in a state of apathy, frustrations, confusion, or tossed to and from by the winds of likes and follow clicks on the social media sphere, and that is not your Creator ' s desire and will for you and I.

Heels of Steel tracks the trials and tribulations of “ the most networked woman in the City ” (Evening Standard); a woman who started in the City at just 15 and worked her way up to C-suite. Having achieved everything she thought she ' d ever wanted, Vanessa quickly learnt that success often comes at a great deal of personal cost and compromise. The constant battling and accomplishment of the ultimate grand prize eventually took its toll and drastically altered her definition of ‘ success ’ , encouraging a life-changing move in a new direction. From periods of glittering success to near total derailment, Heels of Steel unveils the truth behind a woman ' s climb to success in the male dominated City world. You are invited to follow her journey as she scales (and slips up and down) the corporate ladder, digging her heels in to avoid being absorbed by the politics and alpha male behaviour still prevalent in so many corporate environments. A mid-career realisation about her deep-rooted need to rediscover and be proud of her femininity helped Vanessa to discover things she never knew about herself, and introduced much-needed support from other women, which had been absent throughout her career. The book provides transparent insight into the world of corporate women, addresses the challenges facing every ambitious person throughout their career journey and tackles our never-ending search for balance. Packed with tips, advice and practical steps based on real life experiences, this autobiographical story is also a practical guide that will fast become a must-read for anyone seeking to not only survive the corporate jungle, but stand some chance of thriving in it!
