Uses market research and analysis to provide values for vintage or collectible instruments, including information on more than eighteen hundred brands accompanied by eleven hundred photographs.

Industry experts have long considered The Official Vintage Guitar Price Guide to be the most accurate, authoritative and detailed publication to tackle the seemingly indomitable task of placing values on thousands of vintage and recent-model guitars, amps, basses, effects pedals, mandolins, lapsteels and other fretted instruments. And the VG Price Guide is the only one to do it all in one book! Now in its 13th year, the new Guide offers more than ever. Authors Alan Greenwood and Gil Hembree have made their ultimate guide to values even more valuable, with more details on familiar favorites and backgrounds on nearly 800 brands. Plus, there are 700 photos showing all forms of vintage instruments, amps and effects. The Guide combines the most thorough research with an exceptionally user-friendly format that employs quick-find page headings, a comprehensive index, and a dealer directory that puts you just an e-mail or phone call away from guitar buyers and sellers in every region of the country. Also included is an in-depth look at the factors that drive the collectible instrument market, explaining the "hows and whys" in regard to the values of vintage and used equipment.

Fender Amps is the first book to chronicle this company's amazing contribution to the amplifier, providing a complete overview of its history and operation. From the K & F amp of 1945 to the Custom Amp Shop line of today, you'll understand why musicians continue to collect, rely and relish the sound of a Fender amplifier.

The original version of this guide has sold over 30,000 copies. This new edition has been expanded by 25% and promises to become an invaluable resource. For collectors, dealers and players, this completely updated "field guide" provides specifications, serial numbers, and more for determining the originality of vintage American acoustic and electric fretted instruments. Detailing thousands of models by every major manufacturer, the book now includes expanded coverage of Martin, Guild, Mosrite, Dobro, Gibson banjos, Fender amps, Gibson amps, plus updates on the latest models from Fender, Gibson, Rickenbacker, and others since 1990.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

With generations of talented and intense guitarists honored for their talents, it's no wonder the same models of guitars they use are hot tickets in today's collectibles market. Warman's Vintage Guitars Field Guide pulls together history, tips for collectors, lessons in guitar lingo, contact information and 350 photos of the leading guitars of the last 100 years in this unique and enjoyable guide. Collectors will gain greater appreciation of the craftsmanship and style that is synonymous with guitars in this full-color book that includes some of Eric Clapton's personal collection that fetched top dollar at auction. Particulars and current prices for guitars including Gibson, Fender, Stratocaster, Martin, Silverstone and Epiphone are covered in this unique resource.

(Book). If you have questions about guitar amplifiers-how to fix them, how to

restore them, or how to hot-rod them-this book has the answer. This book is written for the guitarist or collector who desires a common sense approach to understanding the essence of vintage tube amps and vintage tube tone. Not written for engineers, it does not contain engineering formulas, polar mathematic equations, or abbreviations that are assumed you should know. Gerald Weber, a regular columnist for Vintage Guitar magazine, shares the knowledge he has accumulated over the years of repairing and building his line of Kendrick amps.

The Official Vintage Guitar magazine Price Guide 2020 Knowledge and information are vital in the dynamic world of collectible guitars and gear, and no source provides it better than The Official Vintage Guitar Price Guide. With listings for more than 2,000 brands along with 1,200 photos and 215,000 copies sold, this book is the industry's hands-down leading source of pricing information on guitars, basses, amps, effects, lap steels, steels, and ukuleles all in one book!

Author Michael Wright builds on the success of his Guitar Stories, Volume One in this series of histories of cool guitars. Volume Two continues Wright's incredible research and painstaking attention to detail, covering brands that had a heavy impact in the world of the guitar, including companies such as Kay, Alamo, Veleno, Martin Electrics, Maccaferri, and Guild Solidbodies. As with Volume One, over 800 rare and fascinating photos (including sumptuous full-color spreads) help to tell the tale of these innovative instruments. Includes a helpful index. Also available: Guitar Stories, Volume One 00330018 \$29.95.

(Book). From the same "dream team" that created The Fender Stratocaster Chronicles (Vintage Guitar magazine's 2004 Book of the Year) comes this new publication covering the other side of Fender's legacy, the instrument amplifier. Revered as much as one's guitar, the Fender amplifier gets its due in this full-color, richly illustrated book. Features over 400 images, including legendary guitarists such as Eric Clapton, B.B. King, Neil Young, Pete Townshend, Stevie Ray Vaughan, Muddy Waters, and Dick Dale, and over 120 audio tracks that make terms and topics come alive.
