War in Europe is a board wargame designed by Jim Dunnigan, and published by Simulations Publications in 1976. It was an expansion of a previously published wargame, War in the East. In order to allow players to focus on the war in western Europe and North Africa, a "sub-game" was created known as War in the West. It was subsequently marketed separately from War in the East. It was known as one of the premier games in the category called monster game, needing several square feet of room for the n
