Who Was Ben Franklin?: Amazon.co.uk: Dennis Brindell ...

The Ben Franklin effect is a proposed psychological phenomenon: a person who has already performed a favor for another is more likely to do another favor for the other than if they had received a favor from that person. An explanation for this is cognitive dissonance. People reason that they help others because they like them, even if they do not, because their minds struggle to maintain logical consistency between their actions and perceptions. The Benjamin Franklin effect, in other words, is t

Ben Franklin effect - Wikipedia

Benjamin Franklin. Who is rich? He that rejoices in his portion. Benjamin Franklin. Each year one vicious habit discarded, in time might make the worst of us good. Benjamin Franklin. An investment in knowledge pays the best interest. Benjamin Franklin. Honesty is the best policy. Benjamin Franklin

One Great Benjamin Franklin Quote About Liberty And Safety

The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790; however, Franklin himself appears to have called the work his Memoirs. Although it had a tortuous publication history after Franklin's death, this work has become one of the most famous and influential examples of an autobiography ever written. Franklin's account of his life is divided into four parts, reflecting the different periods at which h
